PROOF OF CORRECTION

If your vehicle was cited for violation of California Vehicle Code Section 5200 or 5204, you may be eligible to pay a reduced amount of the parking fine. With proof of correction from any California law enforcement agency or officer, fines for each of the violations are reduced to \$10. To qualify for the reduced fine amount you must have the agency or officer complete the below proof of correction certificate.

The certificate of correction must be returned with the fine by mail or in person as directed above. If you are charged with a parking violation and a violation of California Vehicle Code Section 5200 or 5204, you must respond to both violations to clear the parking ticket. Please mail your proof of correction to:
